Purpose/Mission

Aspiring Nurses Association Constitution

Article II. Mission

The mission of the Aspiring Nurses Association is to provide undergraduate students interested in pursuing a nursing degree with opportunities to learn about the profession, prepare for application to the UW School of Nursing, serve the community, and grow in their role as a UW student. These goals will be attained through guest speakers who represent the breadth of the nursing field as well as the School of Nursing, volunteer and fundraising projects, opportunities for involvement both on-campus and in the community, and a variety of leadership roles.
